250 Lives Reported Lost in  
a Fire in an Australian  
Inn.

By United Press Wire.  
Mateszaka, Austria, March 28.—  
Two hundred and fifty persons are  
reported killed in despatches today  
from the village of Oakesboro, in a  
fire that destroyed the village inn  
while a dance was in progress.  
The roof of the building, a big  
wooden structure, fell in burying the  
panic-stricken crowd.  
Hundreds were present in the inn,  
when the fire broke out, and owing  
to the panic that seized the merry-  
makers, few were enabled to escape.  
In addition to the big list of dead,  
there were scores of injured. Huge  
piles of bodies burned beyond all recog-  
nition were taken from the ruins.

Born to Mr. and Mrs. Emory Everly  
of Senate street, on this morning.  
The Silk Mill base ball team de-  
feated the Forest Lawn team at Garfield  
park by a score of 6 to 5.  
Dr. Baldwin was called to Upper  
Sandusky Sunday.

A son was born to Mr. and Mrs.  
Pearl Groom of Bellefontaine avenue  
Sunday morning.

**A Mean Accusation.**  
The plump and pretty waitress was  
being teased by a youthful male board-  
er when a sedate middle aged man en-  
tered the dining room. To him she  
made prompt appeal.

"Is there anything on my face?" she  
demanded.  
"Why, yes," was the reply, after a  
lengthy scrutiny. "There is some cut-  
icle on it."  
"Oh, there is not!" she said in high  
dudgeon and founced out of the room.

SENDS MESSAGE  
TO CONGRESS

President Pleased With the  
Working of the New Tar-  
iff Law.

Washington, March 25.—A special  
message was sent by President Taft  
to congress urging the appropriation  
of \$250,000 for the carrying out of  
the work of the new tariff board as  
outlined in his annual message.  
In his message today the president  
refers to the successful con-  
clusion of negotiations with foreign  
countries under the minimum and  
maximum clause of the Aldrich-Payne  
law.  
The president says:  
"In my annual message, in dis-  
cussing the tariff act of August 5,  
1909, I referred to the maximum and  
minimum clauses and discussed the  
power reposed in the president in  
that clause, and expressed the opin-  
ion that it would enable the presi-  
dent and the state department,  
through friendly negotiation, to ob-  
tain the elimination from the laws  
and the practice under them in any  
foreign country of that which is un-  
duly discriminatory against the United  
States. I am glad to say that ne-  
gotiations under that clause are now  
substantially completed with all the  
nations of the world with satisfactory  
results."  
"Upon consulting members of the  
tariff board I find that to carry out  
the purpose announced in my annual  
message, it will be necessary to have  
an appropriation by the congress, im-  
mediately available, for the current  
and the next fiscal year of \$250,000,  
and I respectfully urge upon congress  
this appropriation."

**FUNERAL SERVICES**  
Funeral services were conducted  
over the remains of Mrs. John Dar-  
mody at St. Mary's Catholic church  
Monday morning at 9 o'clock. Rev.  
Father Downing officiating, and Messrs  
Mitchell, Streeter, Patrick Kelley, A.  
C. Edmondson, Edward Molloy, Fran-  
cis Huber and James E. Prendergast  
were pall bearers. Interment in St.  
Mary's cemetery.

**A Recommendation.**  
Landlady—You find her honest, don't  
you?  
Former Mistress—Honest! Why, she  
never takes even an order from me!—  
Judge.

**The Joker.**  
So you're 'way down in the dumps—  
Blue, you say?  
Think you've played out all your trumps?  
Oh, go 'way!  
Life's not like a game of poker.  
In this game you use the joker.  
It's the card you hold the longest;  
It's the one you find the strongest.  
Laugh, and drive the blues away!  
—Lach, 1 day!

—Jean Dwight Franklin in Century.

SAYS ORDINANCE  
IS NOT LEGAL

Council May Have to do Over Recent  
Piece of Legislation.

The claim is being advanced today  
that the ordinance passed by council  
at its last meeting, appropriating  
twenty-five per cent. of the city fines  
for employing detectives to catch  
bootleggers, was illegally passed and  
is therefore void.  
It is claimed that under the parlia-  
mentary rules a motion to reconsider  
cannot be made by one whose vote  
has been registered in favor of an  
ordinance. The council first amend-  
ed the ordinance, making it fifty per  
cent. of the fines, but this was de-  
feated. A motion to reconsider was  
made by Member Brockett, who had  
voted for the ordinance as amended.  
The motion was passed and then  
amended to read 25 per cent. It then  
received a unanimous vote. It is  
expected that the council at tonight's  
meeting will take up the question  
and perhaps another ordinance will  
be introduced, repealing the one il-  
legally passed.

The ladies of the U. B. church gave  
a supper in the basement of the  
church Saturday evening. After all  
expenses were paid they cleared over  
\$30. About 150 people were present.  
The supper was immensely enjoyed by  
all who were present.

The three-year old daughter of Mr.  
and Mrs. Davis, of Madison, Ohio, has  
been recently removed at the office of  
Dr. Richardson this morning. Dr.  
Adair assisted in the operation.

FARMERS AND HORSEMEN—If  
you are hunting a shop where you  
can get your horses shod as you  
want them, and the feet dressed  
properly come to the David street  
shop. I dress the foot properly and  
make the shoe fit the foot instead  
of making the foot fit the shoe. Any  
body can fit the foot to the shoe or  
drive the nail after the shoe is fit  
properly. But it takes a mechanic of  
long experience to fit the shoe to  
the foot properly. I am the man.  
treat all diseases of the feet, cure  
corns and contraction. Shoe your  
horse to pace. Prevent knocking,  
anklecutting and crossfiring. I use  
the Beorden Iron shoe, the best  
made, and Capewell nails. Ask  
your dealer about Beorden shoes.  
Farmers and all, if you have any  
plows, buggies, wagons, machinery  
or any kind of repair work, bring  
them and leave them and I will do  
the rest. Don't hesitate in bring-  
ing anything in iron or wood. I also  
makes all kinds of instruments, edge  
tools of all kinds. I make and dress  
stone and mason and monument  
tools, carpenter's tools, mattocks,  
hoes, picks, ice tongs made to  
dealers at wholesale prices. Steel  
work and horseshoeing a specialty.  
27 years of careful and scientific
